**Letter of Recommendation on Freight Forwarding Services for Wind Mill Parks by J.E.COSMATOS & CO LTD**

It is with pleasure that we, CC Proyectos de Navegación, confirm that we have appointed J.E. COSMATOS & CO to act as our local sub-agent / freight forwarder for numerous winning contracts in the area of Greece.

All of these projects were consisted of wind mill units and parts produced by **Gamesa Eolica**.

Analytically, the last three projects that we have successfully concluded were the following:

a) Site Name/Location: Perdikorifi – Crete Island, Greece

Vessel: Mv Wilke

Disch port : Heraklion

Cargo : 765 Mts Wind mill sections

Service: Unlashing / Stevedoring / Cranage / Loading on Trucks

b) Site Name/Location: Alogorachi – greater Volos area, Greece

Vessel : Mv Nordersand

Disch port : Volos

Cargo : 805 Mts Wind mill sections

Service: Unlashing / Stevedoring / Cranage / Long Term Storage at Port and Loading on Trucks

E-mail: proyectos@ccpn.es

c) Site Name/Location: Panachaiko – greater Patras area, Greece

Vessel : Mv Stortbeker and Mv Ditzum

Disch port : Patras

Cargo : 1720 Mts Wind mill sections

Service: Unlashing / Stevedoring / Cranage / Long Term Storage at Port & Private area / Loading on Trucks and trucking to site at Panachaiko mountain.

Although sometimes under difficult weather and severe time consuming circumstances J.E.COSMATOS & Co managed not to lose interest and provided an overall A-class service acting as our local agent and freight forwarder. His involvement was crucial when it came to local expertise and coordination of all parties involved.

Hauliers, Storage Depot operators, Crane operators, chosen by our agent were well experienced and respectful. J.E.Cosmatos was always ahead of each and every situation and in great control of all operational aspects

Based on above, CC Proyectos de Navegación, highly recommends the services provided by J.E.COSMATOS & Co.

Yours Sincerely,

Javier Contreras  
General Manager
