**Recommendation of the services of J.E.COSMATOS & CO LTD**

We, SDV Paris, hereby confirm that we have used the services of J.E.COSMATOS & CO during our contract nomination to move heavy lift equipment as part of the upgrade of the HELPE Refinery in Eleusis, Greece.

This project was consisted of four heavy lift shipments, analytically it consisted of the following ship calls:

MV CEC CENTURY, CEC COMMANDER, CEC CONCORD, CEC DELTA.

The overall cargo description was 1,837.962 mts equal to 11,139.64 cbm of Hydro Cracking Equipment which amongst others included the following oversized units:

1110 x 680 x 700 – 105,000 kgs  
900 x 680 x 360 – 82,000 kgs  
1910 x 570 x 415 – 125,000 kgs  
1910 x 570 x 510 – 148,000 kgs

J.E.COSMATOS & Co supported our project in the most successful way and due to this contribution we managed to offer an overall trouble-free service to our customers.

The service support included:

- Stevedoring
- Cranage
- Loading on Low-beds
- Trucking to site
- Customs Clearance

Worth mentioning the fact that all partnered sub-contractors that J.E.Cosmatos & Co has provided us with (incl. Crane operators, hauliers) were meeting the exact high quality level that J.E.Cosmatos had set.

In addition, we would like to stress that the long experience that this firm possesses in the shipping aspect when it comes to cargo handling was surely easy to witness, as they were able to adjust to all local restrictions in the most competent and prompt way.

Therefore, we have no hesitation to recommend their services for any heavy lift project.

Yours Sincerely,

Bruno LEMAÎTRE
